

LIBOR Reasonable Accommodation/Modification* Form

1. Personal information (include your complete name, email address, mailing address, and best number to reach you).

2. LIBOR activity that you are seeking reasonable accommodation/modification for.

3. Please state what is the nature of your disability.

4. Please have a healthcare professional familiar with you and your disability describe your disability and what reasonable modifications/accommodations are necessary to accommodate that disability with respect to the particular LIBOR program, service, or activity. If you had an IEP or a 504 plan previously that utilized the accommodations/modification you are requesting, please explain and if at all possible attach those documents. Feel free to attach separate sheets if necessary.

Once we have this information, LIBOR will engage with you in an interactive process to determine what reasonable modifications/accommodations are possible.

Please return this form, and any accompanying documents, to legal@lirealtor.com.

We look forward to hearing from you.

*reasonable accommodation and reasonable modification have identical meanings (the terms come from different titles of the ADA but mean exactly the same).
